Notes

Material Type: Aida Generic White

Sewing Count: 14/inch or 55/100mm

Design Size: 102 x 187 stitches

Sewn Design Size: 7.3 x 13.4 inches or 185 x 339 mm

Suggested Material Size: 13.2 x 19.3 inches or 335 x 489 mm

Stitch Style: Cross-stitch Using 2 strands

Below is a plan showing how the chart pages fit together. The page number is shown at the top left of each chart page.

StitchCraft

Design your own Cross Stitch on Computer!

StitchCraft is the perfect tool for anyone who loves needlework. With StitchCraft you can sew the sample charts provided, easily turn photos into ready-to-sew charts or design your own beautiful charts for cross stitch, tapestry, knitting, rug hooking, beadwork and any other grid-based needlework. StitchCraft is easy-to-use leaving you free to be creative!

Over 120 Sample Charts

StitchCraft comes with over 120 ready to sew charts from top designers like DMC, Coats & Vivienne Garforth. The hardest part is choosing which design to sew first!

Design Charts from Photos

Ever wished you could turn favourite photos into needlework designs? Now it's easy!
StitchCraft will lead you through the options for your new chart, and in minutes it's ready to print out and sew.

Designing Freehand

How about designing your own chart? StitchCraft has an extensive range of easy-to-use tools for designing your own charts. It won't be long before you're designing like a pro too.

STITCHCRAFT ALLOWS YOU TO:

- Design charts using a large range of tools including full stitch, halfstitch & backstitch
- Move, copy, mirror & rotate sections of charts
- View your designs on screen in beautiful lifelike stitches simulated cross stitch, tent stitch, & beads
- View by colour, symbols or both
